

SUPPLY LIST FOR CRUSHING MOUNT SCRAPMORE

DAY TRIPPIN'

Fabric: Decide upon the size of the strips, scraps or squares you would like to use. See size chart, below:

Strip Size	Min. length	Square size (same fabric)
1.5 inch strips	10" strips	(6) 1.5 inch squares
2 inch strips	13" strips	(6) 2 inch squares
2.5 inch strips	16" strips	(6) 2.5 inch squares
3 inch strips	20" strips	(6) 3 inch squares
3.5 inch strips	22" strips	(6) 3.5 inch squares

In case you want any strips larger than listed above (bigger strips make for a bigger block, making for a bigger quilt, so you can finish a quilt quickly!!) the math is thus:

6 x the width of your strip plus 2 inches. So if you want to use up 5" strips for this block, you would need a strip 5" wide x 6 = 30 inches plus 2 for a total strip length of 32 inches. The extra 2 inches give you room to straighten your cuts as you construct the block!

Supplies:

Sewing machine in good working order, bobbin area thoroughly cleaned out (don't forget your foot pedal and the cord for plugging in your machine!);

1/4 inch presser foot of your choice

Thread – neutral is best

1 or 2 pre-wound bobbins
