Cool it on the combos, **stop it off against MC Mike**  
**Fuck an exorcism, you need to be exercised**

Your Smash hits are tired, **spammin' the same crap**  
But I can beat your games...! I'VE PLAYED KNACK!  
Don't you ever fuck with me, just sit and remain idle  
**Face me in 20 years...** when you're in a main title

'Scuse me. Move please, WARIO'S-A GONNA WIN THIS  
And I'm not talkin' Minecraft when I poach your riches  
Nanananana, you're just a loser  
Wahahahaha, stupid YouTuber

You never see the sun, (wah) but you're the sweatiest  
And between the two of us, (toot) you're the smelliest  
Every breath is vile, my garlic flow is rich  
This nit's picking a fight, every take's like "D'oh I missed"

(WAHAHA) I thought you'd learn not to mess with the big dog  
Screw your castle! I'm the only one who rips off!  
How bout you get lost? Cuz I'm about to get angry  
Then you'll switch your tune real fast like it's Death Stranding

And I'll eat your burrito, those beans'll rumble up my tummy  
You're not even trying, give your bro the controller, dummy  
You better stand back, I'm feeling a bit clogged up  
You're gonna stay mad when I beat YOU with a golf club

### **Dunkey: (1:37)**

How are you alive?? Ooh Reggie, you muddafucka  
You made this guy immortal cuz his heart would crushed with

Ain't seen **butt chins that bad** since Peter Dinklage

You ain't no fuckin' gamer, you got **more bugs than Ubisoft**  
Paulie, bring in the boulder, **I'm done crushin' this dude with bars**  
This battle wasn't close, **baby, not even slightly**  
This beat makes you *feel* like you're Dracula, **you can BITE me**

### **Wario: (1:58)**

That's not funny you idiot, all of your jokes are duds

You have a child but you still haven't grown on us  
Bashing game critics is your strongest attack?  
You wanna know where you can find mine? UP MY ASS!

Call my games buggy, at least I have titles under me  
It seems that we both run micro game companies  
As you lose traction and see your channel has little time  
I will lap you on the track and we will both see the finish line
