

Moment Improv Theatre

Teleprov C: Advanced F.L.I.ght School

Course Overview:

In Teleprov C: Advanced F.L.I.ght School, students will take all their big bold choices and committed characters and bring them to life. You will learn how to make actions look more realistic on camera and will explore using every Teleprov technique learned in conjunction with all of your improv training. By taking the action up a notch and exploring the "pinch-ouch" nature of theatrical on-camera improvisation you will create dynamic scenes that will take your audiences on a rollercoaster ride.

This class runs for 8 consecutive sessions on the same day and time as the first class unless otherwise stated.

Class 1: Movement and Tasking

Class 2: Tracking Secondary Effects

Class 3: Playing with the Frame

Class 4: Action Scenes

Class 5: Chase Scenes

Class 6: Keeping it Grounded

Class 7: Action Movie Format

Class 8: Rehearsal

Students MUST be present for the FIRST and LAST classes without exception. Missing class is never advised, but participants are allowed to miss up to two class sessions and still remain eligible for class advancement.

There are no make-up classes.
