

Addendum 2

Original states:

This acknowledgement of receipt shall serve as a request for access to submit proposals for this RFP. Once completed, potential offerors will receive access to a secure folder where they will submit their proposals. This form is to be completed and submitted to the procurement officer by email no later than **4:00 PM MST October 5, 2021**. Failure to return this form with the intention of submitting a proposal may jeopardize the Offeror's ability to submit their proposal, access the written questions and written responses to those questions as well as RFP amendments, if any are issued.

Correction:

We are pulling the need for Appendix D Intent to Respond form and replacing with: It is the Offeror's responsibility to check the website <https://www.socorroschools.org/page/rfp-2022-003> for any future addendums and/or questions responses. All updates to the procurement process will be posted at the above link.
