Spandex 18%

Size guides

S 28 in - 30 in

M 30 in- 32 in

L 32 - 34 in

XL 34 - 36 in

Please keep in mind that Modal is an exceptionally comfortable and body melt-on stretchable material, we recommend you measure the widest part of your waist line. Get your size you size and if your reading lies on the right end then we recommend sticking to that size instead of sizing up.

If we were you,

If you're a 32" at the waist, we would get a medium

Unsure what sizing you should get? send us your waist measurement and well help

hello@aerablewear.com

*We need to reference a silhouette outline that shows where they should measure.
