

Reading with meaning chapter summaries

Assignment guidelines

Total points possible: 10 points

What to do

For each chapter below, write a short summary (less than one page—double spaced) that analyzes information from that chapter.

Requirements for each chapter summary

- Describe and analyze the most important information from each Reading with Meaning textbook chapter listed below.
- You do not need to include every piece of information from the chapter.
- You may reflect upon how you can use this information in your future teaching.
- Be prepared to discuss some of your thoughts with your classmates during classroom discussions.
- Students will receive 2 points for each chapter summary.

Write brief summaries for the following Reading with Meaning chapters:

- Chapter 1: Guiding Principles
- Chapter 2: Setting students up for success; The structures of reading workshop
- Chapter 3: How do I know they are growing?
- Chapter 4: Digging into the thinking strategies; Focus on schema
- Chapter 6: Book clubs; Focus on asking questions and inferring
