

From: GTTCC Stewards

To: ares118785

Date: Friday 22 July 2016

Incident number: 7.2

The stewards have, after reviewing the necessary video footage and telemetry data relating to the report below, have reached the following conclusion;

-

No / Driver: #18 - ares118785

Session: Round 9 - Suzuka Circuit (East Course Layout)

Offence description: Making contact with another driver.

Decision: Warning for driver #18.

Reason: At the start of lap 2, car #18 took the inside line at turn 1 and attempted a legal overtaking manoeuvre on car #26. #18 lost control of their car and began to understeer into driver #26, making contact and sending both drivers off track. Due to the nature of the corner, vehicle and car #18's first instance of problematic driving, the stewards see fit to award #18 with only their first warning.
