My Vision for Photo/Video Shoots

I enjoy working with others to create content because I love the art of photography! I love seeing what YOU see. I can put 10 photographers or producers in a room and ask them to shoot the same pose or scene and every person will come up with something different. I LOVE THAT! So let's make some magic together!

MY TERMS

For established clip store owners with 100 clips or more and/or Photographers with published works:

- 2 hour minimum
- My rate for clothed, non-explicit fetish content is \$125 per hour.
- My rate for unclothed or explicit content is \$200 per hour.
- Deposit is \$100
- Kill fee if you cancel w/n one week of the shoot is the remaining amount due. If you cancel before one week of the shoot, no additional payment is required, however, your deposit is forfeited.
 - If I cancel for any reason, your deposit will be refunded.
- I will fill out a model release and provide you with a copy of my ID before we begin the shoot
- I do not shoot vaginal or anal sex scenes, race play or bug/animal crushing content
- For content that may require fluid exchange, I require that you have testing done within a week of the shoot.
 - If you are not willing to do this, I will not shoot any content with you that may require fluid exchange.

For new or non-clip store owners and/or Photographers w/o published works:

- My rate for clothed, non-explicit fetish content is \$300 per hour. The deposit is half up front
- My rate for unclothed or explicit content is \$400 per hour. Deposit is half up front
- Same rules apply as above

General rules/info:

- The time you book includes the time for you to set up and tear down your equipment, please keep that in mind when booking.
- All content should be discussed prior to our shoot. This gives me an idea of what to bring, wear, etc. Although ideas do spawn during the shoot, the basic idea and preface for our shoot will need to be communicated and agreed upon beforehand.
- Safety is important. If I have never met you or shot with you, I may bring security with me to our first shoot. This is not negotiable.
- I will not engage in any activity unless the camera is recording. Meaning, I expect that you will not be touching me or asking me to “perform” unless we are filming. Our time together is for filming and I will be professional, so I expect the same in return. Once our shoot is over, if you’d like to session with me, I’d be happy to discuss rates.

If these terms are agreeable to you, please reach out to me via email or text and I’d be happy to talk with you. Phoenixstacy25@gmail.com or 512 710-6535
