Disclaimers-

- ❖ The credit system ~~isn't~~ an unlimited one. A full credit refill/top-up generally comes with the ~~obligation~~ of 2 collab posts (unless specified otherwise).
- ❖ The credits don't refill automatically like a typical paid plan, ~~once you have fulfilled the minimum 2 post obligation~~, you're free to request a [refill](#).
- ❖ If you get stuck mid-project, ~~do not hesitate to ask for a top-up~~ via Discord/Instagram. We won't let your creativity stop because of credits.
- ❖ We ~~do not provide upfront sponsorship for high volume productions~~ (100+ frames). However, CPPs are encouraged to contact us to discuss special requirements for larger scopes.
- ❖ ~~Atlabs reserves the right to discontinue or withdraw participation in the CPP Partnership at its sole discretion. This may include choosing not to renew a creator's participation for the subsequent cycle, based on internal evaluations, program direction, alignment with brand values, or strategic considerations. Non-renewal does not require prior notice beyond the completion of the active cycle.~~
