Available to members and regular attendees over a maximum of 4 years, the award goes directly to the college of their choice. As written in the trust, the trustees (elders) can disperse only the interest gained on the principal in any given year; the interest is divided equally among all qualified recipients.

To be considered for the LCC Scholarship all students must do the following:

- Be a member or regular attendee of LCC (at least one year)
- Individual interview (each year) with trustees (elders)
- 2.0 grade point average (grades must be submitted each semester)
- Church attendance at LCC over summer and holiday break.
- If going to school locally, LCC remains your home church.
- 250-word essay explaining your relationship with Jesus (due with application)
- 12 total hours of volunteer/service at LCC or the surrounding area or your College/University (please list name of organization and supervisor)
- Maintain a social media presence that is in line with Christian beliefs and values.
Therefore, I will ask myself 'Is this a good reflection of Christ? when considering social media posts.
- In addition to the above, the student will pledge to walk the Christian walk and uphold the values of those who follow Christ.

Failure to do any of the above will result in your scholarship not being honored for the next school year. Grades and volunteer hours may be submitted to adam@lafontainechristian.com
