Alright enough with the tacky lmao. But anyway! Happy Birthday Mitzi! One more year we get to celebrate together, huh? Wild. But this year is extra special because it's the year we're finally gonna meet 😭 I can't wait to finally hug you and throw my love at you in person! MITZI!!!! HEWWO!!! HAPPY BIRTHDAY!!!! I LOVE YOU SO MUCH!!!!!!!!!!!!!!!!!!!! Words cannot describe how much you mean to me, dude. You're strong and kind and smart and a survivor through and through. I am thrilled that we all get to celebrate another year of your existence <3 If I can get sappy for a second... seeing you in that car @ the airport, jumping and waving at you & seeing you wave back, and then getting to hug you for the first time ever, was one of the best feelings in the whole entire world. I can't wait to experience that again in October!! and watch you be a BRIDE!!! Mitzi I am so excited and proud of you and grateful to you for being my friend. I hope you have a great birthday and enjoy your custom Childe Sheeran MEP :D

Tons of love,
Red

Happy birthday Mitzi! Know it's been a busy one for you but hope you can have a relaxing and childe day~ if you're thinking of treating of yourself but haven't...treat yourself. There, I've enabled you. May one or more of your collections expand as you wish them to 🎉

HAPPY BIRTHDAY MY DEAREST FELLOW CHILDE LIKER ♥ I love you so much, talking to you is always such a joy and I'm so thankful that we had the chance to get a little closer this Year! I know you're busy a lot but I really appreciate it when we get to talk, even if it's "only" on twitter via tweets, hehe. I hope you get to enjoy your Day today to the fullest with lots of cake and everyone you love! also yes, I *had* to use Soulsilver again this Year. thanks to you I started shipping them too so I guess there's not a better opportunity to tell you that than on your birthday, right? I actually wanted to use another ship you lowkey made me ship (not telling you which one it is..just yet though hehe) but I *just* returned from my trip yesterday so uhhh OOPS. what even is time management lmao but there're always a lot more years to come so...maybe next year? Either way, I love you so much!! and I'm so happy to know you!!! Happiest of Birthdays Mitzi!!! ♥
