BRAINPOP and BRAINPOP JR.

www.brainpop.com

Username: northwood

Password: northwoodjr

Provides over 600 short videos aligned to national standards for grades 3-8 (Brainpop) and grades K-3 (Brainpop Jr.). Each video has an interactive quiz, experiment, comic strip, timeline, and printable activities.

DESTINY (Library Browser)

www.folletttns.iscorp.com

No username or password required

This library program provides access to the Northwood IMC catalog. Search by keyword, author, title, subject, and series; and do visual searches. Links to student-appropriate websites can also be found in the Webpath Express pages.

EBSCO/Explora/Novelist

<https://search.ebscohost.com/>

Username: northwoodjr

Password: student!!2

This fiction database provides access by genre, subject heading, plot, literary award, author, title, series. Get reviews, annotations, book discussion guides, standards-based thematic units, and picture book extenders.

GALE DATABASES (6-8 grade)

<http://find.galegroup.com/menu/>

Username: highland park

Password: student

Gale's In Context suite combines easily searchable, mobile-responsive functionality with authoritative and current digital content that spans core subjects and develops future-ready skills. Users can search articles, videos, charts, images, infographics, and more to keep them engaged at school, at home, or on the go.

WORLD BOOK ONLINE

www.worldbookonline.com

Username: northshore

Password: nssd112

Besides the encyclopedia articles, this website provides links to an atlas, a dictionary, and Today in History. This resource now includes World Book Kids, an easier level online encyclopedia.
