Section Lead Updates

- Brandon (CTO, Curator)
 - Working on software for the inverter decoder
 - CPP teams are relatively clean
 - One is very clean and the other is slightly below average

Discussion Items

- Openclaw lab
 - Meetup for an open lab

- Some call it office hours
 - Could be for AI but mostly openclaw
 - For whoever shows up
 - 2 hours on a weekday, maybe Monday
- Daniel will be taking the snapmaker back
 - We will figure out what to do with the slot on the 3d printing desk
- We have an opportunity to apply for the Walmart SparkGood grant
 - Applied again
- Likely to look at other grants
 - Lowes
 - Home Depot
 - Target?
 - Harbor Freight?
 - Ifixit?
- [Lowe's Community Bucket List](#) grant (renamed)
 - They need liability insurance???
 - Director and officer insurance is highly recommended
 - A special auto insurance is needed
 - Umbrella insurance is needed
- Manual mill table (knee) suspiciously hard to raise and lower.
 - First noticed a month ago.
 - Greased
 - Likely the thrust bearing on the ACME screw needs replacement
 - Still bad
- There is a monitor in the tools area now
 - Software needs updates

Motion to end: Ben C. Brandon K.

Meeting ended: 20:56
