Dear NBTMS Parents/Guardians,

Mrs. Carter, our seventh grade and eighth grade Art teacher, is currently out of school on maternity leave. She is not available for conferences at this time.

Lessons and assignments are being overseen by another Art teacher, and we are in the process of securing a certified Art teacher as a long term substitute for Mrs. Carter's classes.

If you have any questions or concerns please reach out to Miss Rafano, Assistant Principal and Supervisor of Life Skills courses. Her information is provided below.
