

Buildings and Places – Dialogue

James: Have you been to the new cultural center yet?

Barbara: Yes, I went last weekend. It was amazing!

James: I want to visit the museum there next.

Barbara: The art studio inside has beautiful paintings and sculptures.

James: Sounds great! Should we grab lunch at the mall?

Barbara: That's a good idea! I love the food court.

James: After lunch, we could visit the zoo too.

Barbara: Perfect! I haven't seen the new aquarium exhibit yet.

James: Let's plan to go on Saturday afternoon then.

Barbara: I'll check the schedule at the theater for movies.
