76 - 🧑 My Presentation at IHTSJ 2025

This is a pre-recorded presentation I shared at the International Human Trafficking & Social Justice Conference [<https://www.traffickingconference.com/>] September 17-19, 2025. My presentation is entitled "Family-Controlled Sex Trafficking of Young Boys: One Survivor's Healing Journey" talking about my experience of being sex trafficked as a child.

This is my story of being a victim of Family-Controlled Sex Trafficking at the hands of my father in the early 1970s in my home state of Oregon. I also discuss my Healing Journey which has led me to my involvement with Husband Material, Life Coaching and Anti-Trafficking advocacy..
