

Grad Celebration Week is a special time dedicated to honoring the achievements, memories, and milestones of our graduating class. Throughout the week, students come together to celebrate their hard work, friendships, and growth with themed events, activities, and moments of reflection. It's a chance to recognize how far we've come, appreciate the journey, and look ahead with excitement to the opportunities that await after graduation.

Event Date	Event Summary Event Title	Time	Location	Partner involvement	Audience size	Food
------------	------------------------------	------	----------	---------------------	---------------	------
