Rules

rules ♦ [visual guide](#) ♦ [application form](#)

1. Deadline is 2 months from when you get your part
 2. Extensions can be given when asked for, don't abuse extensions!
 3. Discord account is mandatory for this MAP, as it's a very small scale one and communication is easier.
 - a. Join the discord [\[here\]](#)
 4. Apply using the form.
 5. You must provide examples of your work. Since this is a small MAP, I will be pickier with participants provided I have enough applicants.
 - a. Still, this is not for experienced animators only, as the parts can be very limited in animation.
 6. You may take one part. If you finish and there are open parts, you may ask for another part.
 7. Follow the map theme, which is *parental love*.
