

Hello RB Parents of the Freshmen Class of 2028!

We are very excited that your child will be attending Richmond-Burton High School and we look forward to meeting your student on Orientation Day. As you may know, our school participates in our annual Rocket Crew Day, our sole purpose is to help freshmen feel more comfortable as well as help them achieve success in their first year of high school.

The Rocket Day freshmen orientation and transition program is designed to both welcome and support freshmen by assigning them a junior or senior Rocket Leader as a mentor during this first year. This Rocket Leader is a responsible older student who was hand selected from a large pool of applicants and has met the qualifications of being a good role model and a positive leader on our campus. Following is some information to let you know what you and your student can expect in advance of their first day of school.
