

Privacy Policy

Nikola Petrovski built the Радио (Radio MK) app as a free app. This service is provided by Nikola Petrovski at no cost and is intended for use as is.

Information Collection and Use

This app does not require user registration and does not store any user information. The only data collected is for analytics and crash reporting, which is automatically shared with the third-party service Firebase. This data includes device information, usage data, and error logs, and is used solely to improve the app's performance and user experience.

Third-Party Services

The app uses Firebase for analytics and crash reporting. You can review their privacy policy [here](#):
