

Woodridge Local School District

Chromebook Collection Dates and Details

2025-26 School Year (Updated 4/27/2026)

woodridge.k12.oh.us/collection

Woodridge Faculty - Listed below is an overview of our annual process of collecting almost 2,000 student issued Chromebooks. End of year Chromebook collection dates are tied to district level timing and the staffing needs of our entire tech and media specialist teams during the final weeks of school. Your assistance in this process allows us to return devices to the same student (regardless of new teacher or building) next August, complete an inventory or device refresh (as needed) and allows us to inspect and/or repair each device as needed during the summer. Thank you for your continued support of this major undertaking!

Woodridge Tech and WES Media Specialists collect WES Chromebooks annually during the week prior to the last day of school. (Next year's Chromebook collection dates are listed below.) When possible, please plan any/all Star, Waggle and other 'end of year tests' prior to those dates. (Collection during these dates allows us to collect MS and HS Chromebooks at the last possible dates during the days ahead of the end of the year - which is exceedingly challenging.) Contact a Media Specialist if you have unique circumstances which would impact our standard Chromebook collection dates.
