

United Italian Societies - Housing Marketplace

Finding a flat for your studies in major European cities can be challenging. Recognizing this, UIS is pleased to introduce a new service for our community to simplify the apartment-hunting process. As this service is newly launched, we appreciate your understanding if there are any initial hiccups. Rest assured, we are committed to continuously improving and making it as seamless as possible for Italian students abroad.

Instructions

Our hosting platform is designed to foster meaningful connections within the UIS community, ensuring a seamless experience for both hosts and guests.

This service is a pilot initiative aimed at assisting Italian students abroad in finding accommodations in major European cities. As we're in the early stages, there may be occasional hiccups, but we're actively working to iron them out promptly.

Should you need assistance or have questions about using the service, don't hesitate to contact us via Instagram [@uniteditaliansocieties](https://www.instagram.com/uniteditaliansocieties) or email at housing@uniteditaliansocieties.com.
