

Management Kit List

Marin County Sheriff's Office, Division of Search and Rescue

Here is a list of items that our unit always has going into the first four hours of an incident or search.
How does your list compare?

What you must have in your command Vehicle

1. Current Topo maps of your entire County (Two sets)
2. AAA Maps of Cities within your County
3. Thomas Brothers Map Book
4. Search Management Kit (See next Page)
5. Good quality Printer and/or Copy Machine (Combination printer/copier/fax works well)
6. Extra Paper and Toner for Printers and copiers
8. Base station high band radio with Law Enforcement Mutual Aid Frequencies
9. High Band Portable Radio cache with similar frequencies
10. Milar
11. Cell Phone
12. Ability to secure power source (generator or 110 hook up)
13. Current Phone book
14. Several ICS Field Operations Guides
15. ICS Vests for all positions
16. Folding chairs and 2 folding tables
17. 2 White Eraser Boards
18. T card sorter and cards (White ICS T-Cards best)
20. All park trail maps within your county

Nice to have
