

Paper Title

Author's name (Center, Bold, TNR 12, space 1)

Affiliation (University, Province, Country) (Center, TNR 10, space 1)

correspondence e-mail (Exp: saefulanwar@uninus.ac.id) (Center, TNR 10, space 1)

Abstract

This section is a summary of the paper containing study objectives, methodology, results and discussion, as well as implications and novelty. Abstract using English and Indonesian languages. Abstract length ranges from 200-250 words (TNR 11, space 1, justify).

Keywords: *include between three and six keywords that define the article and serve to identify the content of the work (Italic, TNR 11, space 1, justify).*

Introduction

The manuscripts submitted should have an extension between 4.000 and 8.000 words, including abstract, notes, tables, and references.

Use a normal, plain font (12-point Goudy Old Style/TNR, justify) for text.

Font arabic use LPMQ Isep Misbah (الْحَمْدُ لِلَّهِ رَبِّ الْعَالَمِينَ وَالصَّلَاةُ وَالسَّلَامُ عَلَى سَيِّدِنَا مُحَمَّدٍ وَآلِهِ وَصَحْبِهِ أَجْمَعِينَ)

Use italics for emphasis.

Use the automatic page numbering function to number the pages.

Do not use field functions.

Use tab stops or other commands for indents, not the space bar.

Use the table function, not spreadsheets, to make tables.

Use the equation editor or MathType for equations.

Save your file in docx format (Word 2007 or higher) or doc format (older Word versions).

Heading

Please use no more than three levels of displayed headings.

Cite references in the text by name and year in parentheses. Some examples:

Negotiation research spans many disciplines (Thompson, 1990).

This result was later contradicted by Becker and Seligman (1996).

This effect has been widely studied (Abbott, 1991; Barakat et al., 1995; Kelso & Smith, 1998; Medvec et al., 1999).

Authors are encouraged to follow official APA version 7 guidelines on the number of authors included in reference list entries (i.e., include all authors up to 20; for larger groups, give the first 19 names followed by an ellipsis and the final author's name). However, if authors shorten the author group by using et al., this will be retained.

Reference

The list of references should only include works that are cited in the text and that have been published or accepted for publication. Personal communications and unpublished works should only be mentioned in the text.

Reference list entries should be alphabetized by the last names of the first author of each work.

Journal names and book titles should be *italicized*.

If available, please always include DOIs as full DOI links in your reference list (e.g. “<https://doi.org/abc>”
