

Name _____ Date _____

IXL Math Contract #20

Week of April 17-21

Due: Monday, April 24th

Level	Skill	Date	Time	Smart Score
G	Z2: <u>Compare and convert customary units of length</u>			
G	Z8: <u>Compare and convert metric units of length</u>			
G	BB.4: <u>Classify quadrilaterals</u>			

_____ / 15 points

You should spend at least 15 minutes on EACH skill unless you reached a smart score of 100 before 15 minutes have elapsed. If you reach a smart score of 80 at 15 minutes you may stop. If you have not reached 80, you must stay on until you do, or until 20 minutes have elapsed. You do not have to stay on longer than 20 minutes regardless of your smart score—as long as you are doing your best!
