

Fusion Workshop: Team Invitation Letter

[DATE],

Hello friends and community!

You are invited to be a part of the next [training name] in [city, state] on [days and dates] as a team member. We are gathering a team to stand for this momentous event, and you are invited to join us. Remember your training? Do you recall the life-changing insight, vision, empowerment, and love that you felt? Here's the opportunity to offer up the same invitation to those around you for their own vision and relationships.

Our **team theme** is: **[team theme]**

And my commitment as a Sponsor, is that in this team process, **you will experience [name your commitment]**

The first team meeting is coming up on [day and date] from [name the 4 or 5 hour timeframe] in [city, state], and [any meal details or requests for help with food].

The requirements for being on the team are as follows:

1. **RSVP your interest to myself (Sponsor)** [sponsor name and contact info] as soon as possible.
 - a. After you RSVP your interest, we will have a call together to talk through all of the specifics and so we can have an in-depth conversation about what is involved in the team process.
2. If you are a 'yes,' please go ahead and complete this **online team application** and answer it thoughtfully and to the best of your ability. No applications will be accepted after [date 3 weeks prior to the first team meeting]. The sooner the app is received, the more supportive for both you and our team. The application must be completed to the fullest extent.

- b. Vision Enhancement Call by Team Coach with your team buddy:

Once both the application and team fee are received, you will be partnered-up with one team buddy. You will be contacted between 2 – 4 weeks prior to the first team meeting by our Team Coach to set-up a 1-hour coaching call along with your team buddy prior to the first team meeting. This call is required and essential to the team starting strong.

3. Attend all of the following mandatory meetings:

- a. First Team Meeting: [day and date] from [timeframe] at [address].
- b. Online Info Session for Participants: TBD together at the First Team Meeting. 1 hour online based on trainer availability
- c. 2nd Team Meeting: TBD together at the First Team Meeting in [city, state] for approximately 5 hours.
- e. Room Set-up & Trainer “grounding”/orientation: [day and date] in the evening, some may need to arrive by 5pm if at all possible, others may arrive no later than 6:30pm.

****If you have not yet attended the TL Training, you will make the official “switch” to the team member on the set up date. You can come to the training for free.

- f. The [training name and dates] is at [address]. Team members come as early or stay as late as needed. This may include 7am – 8pm at the bigger stretches, or might not, it depends on the day/need/participants. Be prepared for anything and make all necessary arrangements in advance now for childcare/work/outside responsibilities.

4. Participate in **6 weekly one-hour team coaching calls** with training team coach (day and time to be set up at the First Team Meeting).

5. Enrollment conversations.

This is a vital part of the team process... to engage in your relationships and conversations in a way that creates transformation, to be an invitation, stand with people in their vision, and support them in getting clear if the training will be a resource to have their vision turn out. Nearly 95% of everything we talk about as a team will be related to this throughout the entire team process.

6. Moreover, during the two days of the Training itself, **you will have a specific job (or jobs)** to do, such as being Timekeeper, Team Food, or Supply Keeper. Several of the jobs include doing tasks prior to the training date as well.

7. **Fast and pray** for the Training and do what it takes to accomplish the vision of having a powerful, God-honoring Training.

If you are on the team, **you will be asked to agree to ground rules** at the end of this letter.

Consider being on this team almost **like a part-time job in the sense that it will be a high priority for you during this season**. The team is not for everyone. It is an all-in approach to living and while it is incredibly thrilling and rewarding, it requires a level of rigor and intentionality that we want to let you know about upfront. It will be life-transforming and like anything, your participation will equal the value!

Should this process not be the best fit at this time, or if your schedule does not permit being a part of the team, **there are other ways in which you could support this Training**. Besides enrolling those who would gain value by participating in the Training, you could also help by being on the prayer team, making Confirmation Calls if you have had previous team experience, manning a “door keeper” shift, doing food preparation, or assisting with room set-up and take-down.

Thank you for considering this invitation. We look forward to a great experience and the possibility serving in this way with you!

Love,
