

Privacy Policy for Games Published by Hikmet Duran

Effective Date: 20 Oct 2024

Hikmet Duran (“we,” “our,” or “us”) values your privacy. This Privacy Policy explains how we collect, use, and protect your information when you play any of our games (“the Games”).

Information We Collect

We do not collect any sensitive personal data. The Games may collect the following non-sensitive data:

- **Device information:** Device model, operating system, and unique device identifiers.
- **Usage data:** In-game interactions, session duration, and crash reports.
- **Analytics data:** Data used for understanding player behavior and improving the Games.

This data is collected using third-party SDKs to enhance the performance, analytics, and functionality of the Games.

Third-Party SDKs

We use the following third-party SDKs in our Games:

1. Adjust SDK

Adjust helps us analyze user acquisition and optimize game performance. Adjust collects anonymized device and event data for attribution purposes.

2. Facebook Unity SDK

Facebook Unity SDK enables certain social features and measures app installs. Facebook collects aggregated and anonymous usage data.

3. Unity Analytics

Unity Analytics collects anonymized data to help us understand player behavior and improve game experiences. Unity may collect data such as session duration, device type, and in-game activity. For more details on how these third-party services process your data, please refer to their privacy policies:

- Adjust: <https://www.adjust.com/terms/privacy-policy/>
- Facebook: <https://www.facebook.com/about/privacy/>
- Unity Analytics: <https://unity.com/legal/privacy-policy>

How We Use the Data

We use the data collected for the following purposes:

- To understand how players interact with the Games.
- To improve gameplay experiences and address technical issues.
- To measure and analyze the effectiveness of marketing campaigns.

Data Sharing and Security

We do not share your data with any third parties except as necessary for the operation of the Games and the services provided by Adjust, Facebook, and Unity.

We implement industry-standard security measures to protect your data. However, please note that no method of transmission over the Internet is 100% secure.

Children's Privacy

Our Games are not intended for children under the age of 13. We do not knowingly collect personal data from children under 13. If you believe we have collected such information, please contact us at [your contact email] so we can take appropriate steps to delete it.

Your Rights

As a user, you have the right to:

- Request access to the data collected about you.
- Request deletion of your data, where applicable.
- Opt out of analytics and tracking through the Game's settings or your device settings.

Changes to This Privacy Policy

We may update this Privacy Policy from time to time. Any changes will be posted on this page with an updated effective date. Please review it periodically for updates.
