EXECUTIVE ORDER № 59
ASSERTING SIERRA'S NATURAL SOVEREIGNTY

To the People of Sierra, Greeting:

WHEREAS, the State of Sierra voluntarily entered the Union as a sovereign state, and retains its residual sovereignty by the guarantee of the Tenth Amendment to the United States Constitution,

WHEREAS, the State of Sierra is, by right of natural law and order of the Supreme Creator's unblemished design, a free and sovereign state within the confederal arrangement of the United States of America,

WHEREAS, the ceremonial titles and practices of the State of Sierra have degraded Sierra's inherent sovereignty by perpetuating the false notion that the Federal Government is superior in status to the sovereign administration of the State of Sierra,

WHEREAS, there is a long history of the chief executives of the several states adopting the title of President in honor of their state's sovereign authority, including the national hero Benjamin Franklin, who served dutifully as President of the Commonwealth of Pennsylvania,

WHEREAS, the United States Government is run by a bunch of fascists and their symbols should no longer be glorified in the proudly anti-fascist state of Sierra,
