Sample biography

Use this example for inspiration, then write your own paragraph in your own voice. Please do not copy the sample.

My name is Jordan, and I am a seventh-grade student. I have attended Sinai Temple Religious School since third grade. My favorite subject is science, and I enjoy soccer and drawing. For my mitzvah project, I collected books for children because I love sharing stories. Becoming a Bar Mitzvah means taking greater responsibility for my choices and finding new ways to contribute to my community.

We look forward to learning more about you and celebrating this milestone together!
