

12.5.2: EOY Survey

PHASE OVERVIEW

Mentees will identify the steps necessary to transition from high school to their post-secondary pathway. With their mentor's support, they will think through individuals they can turn to for assistance in the completion of each step.

LESSON OBJECTIVE

SWBAT reflect on their experience throughout the program as they complete their EOY survey.

PURPOSE

The End of Year Survey allows us to gauge where students are and how they have progressed, compared to earlier surveys. By completing this survey, students provide necessary information to help ensure the efficacy and success of the program.

Mentee Connection

Overview

During this week's lesson, your mentee took the End of Year Survey. This is similar to the survey you are asked and required to take. The End of Year Survey allows us to gauge where pairs are and how they have progressed compared to earlier surveys. By completing this survey, you provide necessary information to help ensure the efficacy and success of the program. When you see the pop up asking to complete the survey, please complete it as soon as you can.
