

Budget

Timeline: July 1, 2025 to June 30, 2026

:\$7000 for continued hiring of technical editors to handle repetitive technical tasks (duties are further described at [[WikiJournal User Group/Technical editor]]. This amount shall cover direct payments to technical editors and associated costs:

- .*Payrolls, including any withheld taxes

- .*Payroll and HR software

- .*Employer coverage

- .*Tax filing

:\$275: Continued Crossref membership (<https://www.crossref.org/membership/>). This not only provides DOI minting (stable URLs) for each of our articles, it is also the primary pipeline to scholarly databases, both giving researchers better recognition for their articles within academia as well as improving findability of our articles for everyone.

:\$56: Domain fees for WikiJMed.org (WikiJournal of Medicine), WikiJSci.org (WikiJournal of Science), and WikiJHum.org (WikiJournal of Humanities).

:\$36: Bank account fee

:\$1500 to explore software for communications and article processing

:\$2000 for contracting a consultant to improve organizational structure and processes

Total: \$10,867
