

SPARKS

Hello Beaverton families!

Beaverton Elementary is currently looking for individuals to join the SPARKS team. We run the program Mon-Thur from 3:00 pm – 5:30 pm and it is a great opportunity to teach and grow with the students! Spread the word to anyone you might think would be interested or apply yourself!

What is SPARKS?

SPARKS, or Students Participating in Academics and Recreation for Knowledge and Success, is a **free after-school** and summer program offered to Beaverton Elementary students. Each day, SPARKS students work on homework, practice disguised academics, enjoy enrichment activities, and more! And we've got room for you on our team!

Current Opportunities:

- SPARKS Instructors at Beaverton Elementary School
- SPARKS Activity Leaders at Beaverton Elementary School
