Instructions :

1. Score and fold the 8 ½" x 5 ½" cardstock at 4 ¼" to create the card base.
2. Attach the panel of the Silent Snowfall Specialty DSP to the Poppy Parade cardstock, then add it to the card base.
3. Stamp the jar from the Jar of Joy Stamp Set onto the square of Basic White cardstock using the Pool Party Ink pad. Then stamp the snowman inside the jar using Tuxedo Black Memento

Ink. Finish the snowman by stamping the scarf and hat band using Poppy Parade ink and coloring the snowman's carrot with a Pumpkin Pie Blends.

4. Cut the jar shape by using the Sweet Jar Builder Punch.
5. Punch the jar lid from a small piece of Basic Black cardstock. Glue the lid to the top of the jar.
6. Stamp the "warmest Winter Wishes" sentiment from the Delicate Pines Stamp Set onto the 5/8" x 2 1/4" strip of Basic White cardstock using Memento Tuxedo Black ink. Fussy cut around the phrase with scissors.
7. Use the Textured Note Dies to cut the small panel of Pool Party cardstock. (Counting from largest to smallest, use the 5th die.) Attach the die-cut panel to the front of the card.
8. Attach the prepared jar and sentiment to the card using Stampin' Dimensionals.
9. Embellish the card using the Iridescent Pearls.
