

Hello everyone!

Happy New Year and welcome back to school!

As we get back into classes, we have two quick updates for the 2026 Macy's Trip!

First, accounts are active and monthly payments are being collected. Accounts may be removed for non-payment and in an effort to remove duplicates from the list. If you have any issues, the easiest way to resolve problems is to use the Bob Rogers email address in the portal, but if you need my help, please don't hesitate to let me know! Also, once again Bob Rogers has asked me to share with you to add them to your contacts to ensure their emails are not going to spam. If you are missing anything from them, don't forget to check your email junk folders!

Secondly, we are kicking off our third fundraiser of the **\$100K to Parade Day** campaign! We have raised over \$18,000 so far and are well on our way to our goal of \$100,000!!!

Students are receiving an envelope with a calendar printed on it and the following information sheet:

<https://docs.google.com/document/d/1lknX4cP129ep4xflnW-3NI2-BGleD3g57ViZhmEqFoQ/edit?usp=sharing>

Campaign #3 is a calendar fundraiser we are calling **DAY TO DAY CLOSER TO MACY'S!!!**

Students will ask for donations to collect cash and/or checks (checks should be made out to Rebel Band Booster Club) to fill out a calendar with each day's value being the date - January 1 is worth \$1, January 15 is worth \$15, etc... A supporter purchases the date or dates they want and signs their name on the dates to fill in the calendar. Once a student has completed their calendar, they turn their calendar envelope into the safe in the band room.

A complete calendar raises \$496 towards our goal!

Also....

If **100 students complete the calendar**, all students that turned in a complete calendar will be entered into a drawing for ***their trip being paid off*** (the remainder after deposit and already completed payments).

Obviously this has the opportunity to be an amazing fundraiser that will not only move us towards the goal of lowering every student's costs, but will also pay off one lucky student's trip!!!

Calendars are being passed out in classes at the high school and middle schools as we speak and all students should have their calendar and handout by tomorrow. Completed calendars with money are due by February 3rd.

Please let me know if you have any questions and help us as we move **DAY TO DAY CLOSER
TO MACY'S!!!**

This email list has been curated from Powerschool for all students and parents in the 2026 Wind Ensemble class.

Happy New Year and New Semester!

First, I apologize for the delay in sending this out... the new class schedules and making sure the Macy's trip is on track is taking a lot of my time!

As always, I am excited about this year's Wind Ensemble. It is an honor to be selected for this group and the selection is already proof of amazing talent and exceptional work ethic. They have already proven to be great musicians and we have some challenging music and rewarding performance opportunities for them this semester. They will of course perform at our local pre-CPA and spring concerts and at our Concert Performance Assessment in March. We also have been invited to perform at the Music For All Regional Concert Festival in Atlanta, Georgia and we hope to also perform at the State Concert Festival in May. We have some amazing music selected for the group including Donald Grantham's *Southern Harmony* and Viet Cuong's *Deciduous*. We also are going to pass out Frank Ticheli's *Blue Shades*.... You won't want to miss that one!

I am attaching the syllabus I sent home with the students. I did not have the date for the State Concert Festival at that time... please add May 2nd as a possible concert date!!!

I am attaching a link to an information sheet for the Atlanta trip. This is a live-link that will be updated as I get information. The plan is to go down the day before, rehearse in the Atlanta area, the students have requested to eat at the Hard Rock Cafe, stay downtown across the street from the Rialto Performing Arts Center, perform the concert and participate in the various festival activities, and return home.

<https://docs.google.com/document/d/18TiNxcVimq3Et4tZbPkWEBXY2S4U0z7zjjJHhQoiU6l/edit?usp=sharing>

To cover the cost of the trip, registration for the event, the hotel room, etc... we are asking all students to pay a \$125 fee. This is due to the booster club as soon as possible... but definitely by March 1. Please understand that I know money is tight and between marching band, winter ensembles, Macy's, etc... It's a lot! I have made every effort to keep this as cheap as possible while also making sure the trip happens and that the trip is a meaningful and enjoyable one for the students. If there are difficulties with this expense, please let me know.

Obviously Region Band auditions are tomorrow... most students have done this for years in this class but let me know if you have any questions. Auditions are at Boiling Springs, times have been posted for weeks, and audition tickets will be handed out today. I will attach a list of times and a map sent to us from our Region Chair for instructions on parking at Boiling Springs. Please let me know if you have any questions!

If you ever see me in my most stressful moments and wonder why any person would sign up for this... one of the biggest reasons is this class. The Wind Ensemble has to be the absolutely best class to teach at the high school. The students challenge us just as much as we challenge them to perform the highest levels of wind literature on whatever stage we happen to be on. I look forward to seeing what they accomplish this year!

Hi everyone,

We hope that everyone is well on their way to filling in our **Day to Day Closer to Macy's Calendars**. We already have our first completed calendars turned into the band room... don't forget that if we get 100 completed calendars we will draw one lucky student's name to get their trip completely paid for!!!

A friendly reminder that tonight is the virtual meeting for our NYC Friends and Family trip. The following message from Bob Rogers Travel was sent in a previous email:

Family and Friends of Byrnes HS Band,

Would you like to go to NYC to support the band in the Macy's Parade? Bob Rogers Travel is putting together a full-service package so you can travel to NYC, see the parade, stay at the Marriott Marquis in Times Square, and do all of the top tourist attractions in Manhattan! Please join us on Tuesday, January 20 at 7pm for a virtual kick-off meeting at the link below. Terri Jo will share the itinerary, package options with and without airfare, and answer all of your questions.

**When you join the meeting, please turn off your camera and make sure you are on mute. We are able to fit more people into the meeting that way. We will also record the meeting in case you cannot attend. See you then!*

Hey everyone!

We had over 173 people pop into our Family and Friends meeting last night! If you missed the meeting, Mrs. Fox has provided us with a couple of video links and I will share a folder with the documents she reviews in the video. We already have people signed up for the trip and I am thankful to Terri Jo and the entire BRT team for putting this trip together for us. Please let me know if you have any questions!

Three quick notes: All-State Auditions, E-Learning, and the Zeffy link for Atlanta

As I know you know, All-State auditions have been postponed until next Saturday. They will still be at Chapin High School and audition times will be the same as scheduled for this week. We know there will be scheduling conflicts and we are committed as a school and an association to getting everyone an audition time. We are waiting on information from our All-State chair regarding how they are handling schedule changes. We should have more solid information Monday or Tuesday.

I know everyone is frantically preparing for the impending winter weather. If we have (an) E-learning day/days, I will post some form of assignment in Schoology - mainly as a form of attendance. The more important thing is for students to spend what time they can on preparing for All-State callbacks next week or working through challenging spots in Southern Harmony. I think it is certainly a good idea to take instruments and music home today if at all possible to prepare for the possibility of us being out of school next week.

Finally, if I didn't already share this, here is a Zeffy link to pay for the Atlanta trip (\$125):

<https://www.zeffy.com/en-US/ticketing/2026-wind-ensemble-atl>

I hope everyone stays warm and can enjoy a weekend off from school stuff!

Moss

Hello everyone,

Happy E-Learning Day #4 and day #2 of me being back in the band room office! I hope everyone is warm and safe and enjoying a little break while also hopefully staying caught up on assignments. I hit some ice this morning on the way in so there are definitely slick spots out there. Stay home and enjoy a break if you can!

I was really hoping we would be back in school today in order to work with Dr. Pettus. We are looking to reschedule Symphonic Camp for a Tuesday or Thursday in February. Regardless of which date we choose, we will find a time for everyone to meet Dr. Pettus and get a chance to have him work with us!

I have posted 4 E-Learning assignments in Schoology (Henry and Porter - I even managed to figure out where the BFA course was so you have them now too!). Please make sure you complete all of these as soon as you can. They are decidedly painless... As mentioned before they are mainly a form of attendance.

For those of you that have completed the assignments: thank you! And for those that keep pointing out my spelling errors - please know that Schoology doesn't include a spell check and that I hope the errors are bringing you a tiny bit of joy. As a few of you may say, spelling is "tuff."

I am meeting with the SCBDA Executive Board today about All-State. Doesn't look good right now... as soon as I know something concrete, I'll let you know.

Stay warm, stay safe, and I hope to see you tomorrow!

Hi everyone,

Two quick notes regarding the Macy's Calendar Fundraiser and All-State auditions:

First, the Macy's Calendar Fundraiser was scheduled to end this weekend with all calendars due by next Tuesday. With the weather this week and the forecast calling for more winter weather, we are going to extend that deadline by a week to February 10th. Remember that all calendars are due to the safe in the Byrnes band room unless arrangements have been made with each middle school's directors. We will collect all calendars and release a list of students who have completed the fundraiser - and if we reach 100 students we will draw for the student that wins their trip being paid off!

Secondly, I know everyone has heard that All-State auditions have been cancelled and an alternative process will take place to select this year's All-State bands. The statements and procedures released by the SCBDA are pretty clear, but I will go over this information with the high school students in each band today to explain the process. The leadership of SCBDA, including our very own Mrs. Crutchlow as President-Elect, have worked very hard all week to try to make auditions happen in their normal way, but the weather and the calendar just won't cooperate. Fortunately, the All-State committee foresaw this problem and put procedures in place years ago in case this situation ever arose. The process this year will be different and by no means perfect, but reflects the best and most fair method of handling a difficult situation.

All-State and Region Band rosters will be made by using the Region Band audition scores and will be published on Saturday, most likely by 5:00PM. As soon as I can get the rosters and put them into an email, I will share with everyone using this email list (the list from me will be high school students only - middle school directors will release their lists).

I hope everyone enjoys a little school today! I was really looking forward to seeing all of our winter ensembles this weekend... I know they've been working hard! Stay warm and safe this weekend and hopefully we can get back to a more normal schedule after this weekend's snow.

Moss

Happy Snowy Saturday!

Here are the Region Band and All-State results. We will have more information for you next week! Thanks to all that participated and congratulations to all of our students who will participate in Region Honor Bands and the All-State Band!

Please note I just typed out 83 names and chairs. Please excuse any errors.

Hello everyone,

Two quick notes about Macy's:

First, just a reminder that calendar fundraisers are now due. The booster club and I will be collecting those today. We will release a list of those that completed calendars later in the week to let you know how many have been completed.

Secondly, the first deposit deadline has passed for the Family and Friends trip. Please remember to check your junk mail/spam folders for any BRT emails and add them to your contacts so that you don't miss out on their emails. I am attaching a screenshot with names of people who missed the first deposit deadline. Those trips will be cancelled soon.

Thanks to all that completed calendar fundraisers!

Moss

Happy Friday!

Here are a few Macy's notes...

Thanks to everyone who turned in the calendar fundraiser! The booster club is currently collecting envelopes and counting the money and I'll have an update soon. If you are still working on yours, please turn that into me at the band room ASAP!

I wanted to send everyone a quick note about the payments and the total trip cost. We talked about this at the meeting and this information was sent in early emails, but I know we have had a lot of people add into the trip so some may have missed this information.

The \$2475 trip cost is the maximum it will be. The price should not go up... but may come down! As we get reservations completed and tickets purchased and as fundraisers are completed, the total price may change. If it changes, everyone will be notified and the last monthly payment will be reduced (or even removed). Due to this, it is very important that everyone not pay the total price up front! Follow the monthly schedule and we will send out updates as we get them.

Last thing - please see the following note from our Macy's Fundraising committee:

Hi Families, A new fundraiser will be starting soon and we would like your help! The band will be putting together a cookbook of recipes from our Byrnes Band and their families. If you would like to submit a recipe for the cookbook please email it to Byrnesbandrecipes@gmail.com. We appreciate all your help with this.

Have a great weekend!

Moss

Hello everyone,

This week is our Region Band Clinic at Spartanburg High School. All students who earned seats in Region Band are expected to attend - both seated members and alternates. We have an exciting lineup of clinicians and some great musical selections so I know the students will have a good time! We will transport the students to Spartanburg both days and home on Friday, but students will need to ride home from the concert with their parents on Saturday. There will be no bus home on Saturday afternoon. Dress for the concert is concert black so please make sure you are prepared!

This year we will have access to a bus, but not enough buses to take everyone to lunch both days, so students will sign up for a bus and one bus will go out for lunch one day and the other will order in Chick-fil-A. Then the students will switch for the 2nd day. Please bring \$10 cash for your Chick-Fil-A day.

Looking ahead we will be going to TopGolf for lunch on our CPA day in March. This costs \$26 and can be paid at this Zeffy link:

<https://www.zeffy.com/en-US/ticketing/top-golf-6>

I have attached the official Region Band schedule. Here is our tentative schedule for Region Band to help with planning:

Friday - February 20

8:00 - Meet at school and depart for Spartanburg High School
9:30 - Bands seated and rehearsals begin
12:15 - Lunch - we will order lunch as a group. Please bring \$10.
2:00 - Afternoon clinics
5:30 - Depart for Byrnes
6:15 - Please have someone to pick you up at BHS.

Saturday - February 21

8:00 - Meet at school and depart for Spartanburg High School
9:00 - Bands seated and rehearsals begin
11:45 - Lunch - we will order lunch as a group. Please bring \$10.
3:00 - Alternate and Junior Concerts
4:30 - Clinic and Senior Concerts

All students must be picked up following their concert. There will be no bus returning to Byrnes!

Hello everyone,

With all the band life going on, I haven't sent many Macy's updates lately, but please know that lots of planning and fundraisers are still going on. Right now our focus may be on Region/All-State, WGI Guard Regionals, WGI PERCUSSION REGIONALS!, Concert Performance Assessments, and everything else going on... but there is much work being done to prepare for November!

One partner we are working with on a few projects is the Macy's store at Haywood Mall. They have shared a flyer with us regarding a prom event the weekend of March 7th. We have been asked to find five students to sign up for the event. If you are interested, please email me with the student name and a time between 1:00 and 4:30 and we will share your interest with the store! They are offering two gift baskets for one of our future silent auctions if we can provide 5 students. Check out the flyer or the booster club facebook page for information and let me know if you are interested!

Terri Jo and the Bob Rogers Company have been in regular contact with us and they wanted to share a reminder that it is vital that everyone stay up to date on payments in the BRT portal. I know I personally see those autodrafts come out each month for my family and I'm sure if I didn't have autodraft I would forget to make a payment! Please keep on schedule and don't forget to make sure you're not missing BRT emails in your spam or junk folders.

Another reminder about payments - keep those monthly payments going but don't pay off the trip! Any fundraising or district support that comes in the future will come off the total price by discounting or eliminating the final month(s) of payment(s). The best way to make sure you don't overpay for the trip is to stay on the monthly schedule.

We also need to make sure those joining us on the Family and Friends trip are keeping on schedule with payments. I am sharing a brief list of names that are on the Family and Friends trip and have not responded to emails from Bob Rogers Travel. We are sharing these names to make sure people are getting emails from BRT regarding the trip and payments. If you are on this list and haven't seen emails - please check your junk and spam folders!

Best of luck to our winter guards at WGI Tampa and our percussion ensemble at WGI Spartanburg!

Have a great weekend!

Moss

Hi everyone,

A quick note of congratulations to our winter teams! Indigo and Sapphire traveled to Florida for a WGI regional with Indigo placing 2nd in a loaded Scholastic Open class and Sapphire being named Regional A Champions. I was VERY fortunate to be able to see our percussion ensemble at the WGI regional in Spartanburg where they placed 2nd in World class. I could not have been more impressed with the performance - especially as it is their first year ever competing. Make sure you see all our winter teams this year!

Speaking of recognition, after many snow delays, the Drum Majors and Captains represented the band at the District Five School Board meeting last week for the Upper State Championship, Regional Class Championship, and being invited to Macy's. As always, our leadership did a great job representing the entire program and we are thankful to our school board for recognizing all of our awards and honors this year.

Students at the high school are kicking off a new MoneyDolly fundraiser today. Please help us by making sure all students have logged into the app and are sharing with friends and family. To join the fundraiser, download the MoneyDolly app and use this code: PM8R-WCD8. This fundraiser is for all programs, including the Macy's trip, and is open to all band students.

Please see the following note from the booster club:

It's that time of year again! The membership of the Rebel Band Booster Club is electing officers for positions that will be open following this fiscal year. Nominations will be accepted for the positions listed below from March 1-15, 2026. Please refer to the Job Descriptions document linked in the nomination form below to learn what each position entails prior to making a nomination. Note: One nomination per form, nominations for multiple positions permitted.

In an effort to allow continued momentum and provide vital stability, continuity, and experienced leadership for the organization, students, and community they serve, Article 6, Section 3 of our bylaws allows the Board of Officers to stagger officer terms for sustained success.

Given this allowance, we will be electing the following positions in 2026:

Guard Operations Officer

Percussion Operations Officer

Outgoing Funds Treasurer

Guard Treasurer

Sponsorship and Development Officer

In 2027, we will elect the positions below. If you are thinking of being nominated for one of these positions and would like to volunteer helping the current officer, please reach out to Jessica Clements.

President

Vice President

Band Operations Officer

Incoming Funds Treasurer

Communications Officer

Transportation & Props Officer

Secretary

Ways & Means Officer

Please note: *Nominees must have no outstanding fees to be added to the ballot. Likewise, if elected, nominees must pass a District 5 background check and elected treasurers must consent to a credit check.*

Hey everyone,

Just a few quick updates as we get into March...

Please make sure all students are paid off with fees - we have a few students who haven't paid for Region Band lunch yet (\$5), we need to get in the TopGolf Lunch amount (\$26) for our CPA trip in two weeks, and the Atlanta trip (\$125) is now due. Please get these in right away to make sure we get all our bills paid!

Zeffy link for TopGolf for lunch (\$26) on our CPA day in March.

Just a reminder that the Atlanta trip info is still at this link (save this - I update it as we go!). I hope to have the final Wednesday schedule ready by Friday. The Thursday schedule is correct.
<https://docs.google.com/document/d/18TiNxcVimq3Et4tZbPkWEBXY2S4U0z7zjjJHhQoiU6l/edit?usp=sharing>

Family and friends are invited to our Pre-CPA concert on March 12th at 6:30 in the FAC. All four of our concert bands will play and I hope parents will come and hear the great work the students have put into our music - especially an incredibly difficult *Southern Harmony*. As Dr. Pettus pointed out - this piece is difficult for college students! The work the students have been doing is starting to really pay off. I think you'll really enjoy the program!

Moss

Hey everyone,

Here is the All-State schedule. There is a bus providing transportation Friday and Saturday. Parents are responsible for getting their students to the concert on Sunday. Please meet us Sunday at the fountain in concert dress for a picture!!!

Sunday, March 15th, 2026

- 11:45 - Meet at the fountain for pictures in concert blacks (transportation to Furman not provided)
- 12:30 - Bands meet for warmup
- 1:30 - All State Band Concert

Hi everyone,

A few reminders as we quickly approach three weeks of concerts! Please take a moment to check on concert blacks to make sure we are dressed correctly. If you have questions regarding concert dress - note there is information on the Atlanta Info sheet.

Thursday is our Pre-CPA concert at 6:30 in the FAC. The Wind Ensemble has been given the ability to watch some of the first groups so I hope they come a little early to warm up. I will see them after Symphonic Bands march - roughly 7:15 in the band room.

Next Tuesday is our CPA performance at Dorman High School. Sometimes they are funny about spectators.... So if you want to "chaperone," just let me know and meet us when we arrive at Dorman - approximately 2:45 - to walk in with us. You will be able to see both the Symphonic Band and Wind Ensemble at 4:35 and 5:50 respectively.

The Atlanta trip is fast approaching! Here is the info sheet:

Please note I have updated departure times and the plan for Wednesday. Hoping to have final dinner confirmation soon!

Hope you can make at least one of our concerts!

Hi everyone,

Here are a few notes for Concert Performance Assessment tomorrow:

We will meet at the beginning of 2nd period. All students should attend 1st period as usual. We will warm up and hit a few spots before we head to lunch. Students are welcome to wear comfortable clothes (hopefully warm, comfortable clothes) for the TopGolf portion of the trip. Students may change into concert blacks at TopGolf or at Dorman. Hopefully we have better weather tomorrow... It's supposed to be dry, but very cold. Please dress accordingly!

9:51 - Meet in the Band Room. Check the board for instructions.

11:15 - Load up buses and the truck. Depart for lunch

12:00 - Lunch at TopGolf

2:15 - Depart for Dorman

3:00 - Arrive at Dorman, unpack, change, etc...

4:35 - Symphonic on Stage (warmup up at 4:00)

5:50 - Wind Ensemble on Stage (warmup at 5:10)

6:45 - Watch Concert 1 on Stage

7:15 - Depart for Byrnes

7:45 - Have someone here to pick you up!

Many students are either performing with Symphonic or with Concert 1. Please check with each director to make sure you understand each group's expectations.

Mr. Padgett and I could use a chaperone or two to travel with us. If you're interested, please let me know. Also, you're welcome to "chaperone" in order to see the show! Meet us in the FAC parking lot at Dorman at around 3:00 or so.

Let's have a great day tomorrow! Stay dry!
