[Nervous]

Hello?

Oh, my ad, yes!

Hi there.

Well...I'm looking for someone to spend some time with, platonically.

But maybe with some physical closeness?

I'm not really sure what my options are here.

What do you do?

[Guarded]

Cuddling?

What exactly do you mean?

Huh...that sounds good...

Yeah, I'd like that.

Well, no.

I haven't hired someone for this before.

You're the fifth person to respond to my ad and you seem the most normal.

The first lady said she'd hold my hands while we chant to 'cleanse my aura', and the last guy said he'd burn incense in my living room for five hundred dollars to 'circulate my energy'?!

That's not really what I'm looking for...but cuddling sounds really nice!

I'm not close to anyone, no.

I've been on my own for a long time.

But it's not like I'm against relationships or anything!

I don't really like being touched, but I was thinking...I kinda miss it?

If that makes sense?

Really?

Because I feel ridiculous, saying I miss something I don't really like.

But I...I'm not sure I even remember what it feels like to relax with someone with their arms around me, so I keep wondering...

Um...thanks.

Is that part of the service?

Or is it extra?

Okay, so how much per hour?

Wow, alright.

How long are cuddle sessions?

Huh, that sounds good.

What about you?

Is this your day job?

Okay...

Um, do you take on multiple clients at a time?

No, that's not a problem, I'm just curious.

Never met a...say, what are people like you called?

Is 'hugger' the right word?

'Professional cuddler', okay.

Alright, I'd like to hire you for one session.

If we get on, I'd like to see you once a week.

How does this work exactly?

Do you have an office, or do you come over?

Oh, in public.

I know that park, sure.

[Sheepish]

What time of day are you available for cuddling?

That's great!

I'm off Thursdays and Fridays.

Uh...what do I wear, just normal clothes?

[Embarrassed]

And do...people ever...try to interrupt?

I mean, if two people are cuddling on a picnic blanket, and other people think we're doing, you know, **things**, do people ever come up to lecture you?

Like if they think you're fooling around.

I don't want to get a ticket from a bylaw officer or anything.

Okay.

While we're cuddling, are we supposed to talk?

Is talking extra?

Not, not really, I don't have much to say.

I'm just worried that I might **want** to talk and I want to know if I can.

Alright, good.

[Hesitant]

I have one more question.

While we're cuddling, say I get excited.

You know...**hard**.

What happens if I get an erection?

I don't want you to think I'm trying to put the moves on you!

Yeah, I've seen a massage therapist before.

[Relief]

Oh!

That makes total sense!

We just ignore it.

Thank you, I don't know why I didn't think of that.

Yup, that's all my questions!

Alright, one o'clock tomorrow.

See you soon.

(Fadeout)
