(A message from Mr. Lowell Mitchem)

Upon further reflection. I think I want to share way With you my wife's prayer journal. It was disheartening for me when asking if I should share it with each of my children with my oldest daughter, whose husband translated what I received, said she did not think they cared about it.

I share with you because every point is precious to me and reflects Rumiko's Heavenly heart.

“新良賢母のすすめ” 本より抜粋

受け入れるということは、ただ夫に対して我慢して寛容となることではありません。夫が完全でもないのに完全と思い込もうとして自分を偽って不正直になることでもありません。自分の責任は夫を作り替えることではなく、今のままの夫に感謝することだと気が付いて、あなたの心が平穏な状態になることです。あなたも同様夫も人間として長所も欠点も持っているのだと認識するのです。これが正直な見方です。欠点があっても長所に注目しましょう。

Accepting is not just about being patient and tolerant of your husband. It's not about being dishonest by pretending to be perfect when your husband isn't perfect.

Realizing that your responsibility is not to remake your husband, but to thank your husband as you are, to keep your mind calm. You and your husband recognize that you and your husband have strengths and weaknesses as human beings. This is an honest view. Pay attention to the strengths even if there are drawbacks.

彼が彼女の言うことを受け入れず、自分の道を行った時、彼女は金切り声をあげてヒステリーを起こし、自殺する井戸に飛び込むと言って脅しました。

彼女はこういうやり方で無理矢理彼を変えようとしていました。結婚当時は妻を敬愛していた方でしたが、四十九年経ったとき、彼女に会うのも我慢ならなくなっていました。でも考えてみて下さい、もし彼女が彼の生き方を受け入れて、その考えを自由に試させてあげたなら、それはなんと崇高な行為だったでしょう。

自由は男性にとって大変重要。もし神が人間にその幸福を危険にさらしてでも尊い自由を授けたのであれば、女性もまた夫にその特権を与えるべきです。夫にやりたいようにやらせてあげ、望む通りの人間でいさせてあげましょう。

When he did not accept her and went his own way, she screamed and threatened to hysterically and jump into a well to commit suicide.

She tried to change him in this way. At the time of marriage, he admired his wife, but 49 years later, he couldn't stand to see her.

But think about it, how noble it would have been if she had accepted his way of life and let her try it out freely.

Freedom is very important for men. If God has endangered humans with precious freedom, women should also give their husbands that privilege.

Let your husband do what he wants and let him be as human as he wants.
