

Senior Registration Guide

Class of 2027 | Student Academic Planning

Dear Parents and Guardians,

Congratulations—you have reached the final year! The Senior year is a unique blend of completing graduation requirements and preparing for the world beyond our hallways.

Our goal for this year’s registration is to ensure every student remains "Finish Line Focused." While it is tempting to ease up, we encourage seniors to choose electives that offer real-world applications, such as Accounting, Sociology, or Advanced Ag Mechanics. Let’s work together to make this final year both memorable and productive as we prepare your student(s) for commencement and beyond.

Senior Year Course Schedule
