1	The 5th International Conference on Recent Advancements & Innovations in Management, Media, Science, Technology, Education, and Legal Issues (ICRAIMMSTEL-2024)	23-08-2024	International	-	YES	-	ISBN : 978-81-952751-0-6

INTRODUCTION

The 5th International Conference on 'Recent Advancements & Innovations in Management, Media, Science, Technology, Education, and Legal Issues' (ICRAIMMSTEL-2024) is hosted by JIMS EMTC in Greater Noida.

This Conference is designed to unite researchers, scholars, scientists, engineers, managers, students, and faculty members from various fields including Education, Media, Law, Engineering, Science, and Management. It offered an international platform for sharing innovative ideas, original research findings, and practical advancements, emphasizing both theoretical and practical aspects. Attendees had the opportunity to discuss, showcase, and delve into knowledge across these disciplines. This event provided a distinctive chance to connect experts from academia, industry, research, and student communities. Total **189** Eminent academicians and research scholars from various disciplines shared their insights on recent developments and innovative ideas through their presentations at the conference. Additionally, the Inaugural event was streamed live on YouTube, allowing faculty members, students, and individuals from across the country to participate and engage.

OBJECTIVE OF CONFERENCE:

This conference provided an interdisciplinary platform to unite distinguished academic scientists, scholars, and researchers from diverse fields to exchange and share their experiences and research findings, to discuss and disseminate ideas and expertise to drive innovation and progress.

INAUGURAL SESSION:

The conference commenced at 10:30 a.m. on the 23rd of August, 2024 with an opening address by extending a warm welcome to all the guests by Ms Surbhi and Mr. Ghanmitra followed by the inaugural session with lighting of lamp by the distinguished guests, Saraswati Vandana was performed by Ms. Priya Sharma (B.Ed. student) to invoke the blessings of the Goddess of Knowledge. This traditional ritual marked the beginning of the conference, setting a reverent and focused tone for the proceedings.

Prof (Dr.) Sachin Yadav, Director, extended a warm and inspiring welcome address to all the distinguished guests. Sir, articulated a vision of the conference as a vibrant forum for innovation and dialogue, where new ideas and collaborative solutions can emerge. The Director sir officially declared the conference open.

International Guest Speaker Prof. (Dr). Mary Lou Bryant Frank, initiated the online session on Zoom platform she delivered an insightful presentation on the topic of the "Multidisciplinary Approach." This session aimed to explore the benefits and applications of integrating multiple disciplines to address complex problems and drive innovation.

The felicitation ceremony then ensued and concluded with the formal release of the conference proceedings by the eminent academicians who had graced the occasion.

Guest of Honor Prof. (Dr). Dhananjay Joshi Vice Chancellor Delhi Teachers University, Delhi. His address was a highlight of the ICRAIMMSTEL conference, offering valuable insights into the role of interdisciplinary approaches in education and research. His perspectives on innovation, collaboration, and the future of higher education resonated with attendees and underscored the importance of integrating multiple disciplines to address complex challenges.

Afterwards, **Chief Guest Prof. (Dr). Saroj Sharma Chair Person NIOS Noida.** Prof. Sharma began her address by discussing the significant advancements in open schooling and distance education. She highlighted how NIOS has been at the forefront of expanding educational access to diverse populations, including those in remote and underserved areas. Her talk emphasized the role of technology in bridging educational gaps and providing flexible learning opportunities.

She inspired attendees to foster a culture of lifelong learning. She encouraged educators, researchers, and students to remain curious and proactive in pursuing knowledge. Her call to action underscored the importance of staying engaged with ongoing developments and contributing to the advancement of educational practices.

Moving forward, **Prof. (Dr). Rekha Mahajan** extended heartfelt thanks to Prof. (Dr.) Saroj Sharma, for her insightful and inspiring address. Special recognition was also given to Prof. (Dr.) Dhananjay Joshi, for his valuable contribution as the Guest of Honor and sincere gratitude to Prof. (Dr). Mary Lou Bryant Frank whose online presence and address added significant value to the conference.. The convener acknowledged the depth of knowledge they brought to the conference. Dr. Mahajan expressed her appreciation towards all the guests, faculty & staff for their contribution to make this conference successful.

Thereafter all the Academicians & Research Scholars were guided towards their respective session venues.

Track –I B.Tech & BCA

Technical Session – I & II

Date: 23.08.2024

Time: 1.00 pm - 2.00 pm

Venue: Auditorium

Session Chairs: Dr Ruchi Aggarwal & Dr Latha Banda

Reporteurs: Ms Shilpi Gupta & Meena Sachdeva
