

ASIAN STUDENT UNION

Our mission is to provide the WHS student body with a safe space to discuss AAPI issues and a place to learn about current news events in the AAPI community. Members are welcome to be curious and ask questions, as well as share personal experiences. This club will allow members to actively participate in fundraising events, supporting various AAPI non-profit organizations. Be ready to engage in topic-based discussions about AAPI heritage and building a strong community.
