Dear Editor-in-Chief,

Re: Submission of "[Full Manuscript Title]**" as a** [Article Type]

We are pleased to submit the manuscript entitled "[Full Manuscript Title]" for consideration for publication in NERS Jurnal Keperawatan. The manuscript reports [briefly state the topic, design, population/setting, and principal contribution in 2-3 sentences].

The principal novelty and significance of this work are [state the main research gap addressed and the new contribution]. We believe the manuscript is relevant to the scope and readership of NERS Jurnal Keperawatan because [briefly explain relevance to nursing science, practice, education, management, policy, or healthcare].

We confirm that this manuscript represents original work, has not been published previously in substantially the same form, and is not currently under consideration by another journal. Any relevant prior dissemination, including preprints, theses/dissertations, conference presentations, proceedings, or related publications, has been disclosed below.

- ✔ All listed authors meet the journal's authorship requirements, have reviewed and approved the submitted version, and agree with its submission to NERS Jurnal Keperawatan.
- ✔ Ethical approval: [state ethics committee/IRB and approval number, or explain why not applicable].
- ✔ Informed consent: [state applicable consent procedures or Not applicable].
- ✔ Conflicts of interest: [state any competing interests or "The authors declare no conflicts of interest related to this work."]
- ✔ Funding: [state funding and grant number, or state that no specific funding was received].
- ✔ Generative AI disclosure: [state any disclosure required under NJK policy, or indicate that no generative AI disclosure is required].
- ✔ Prior dissemination / related manuscripts: [state details or "None."].

Thank you for considering our manuscript. We appreciate the opportunity to have our work evaluated by NERS Jurnal Keperawatan.

Sincerely,
