Dear Mr/Mme/Dr/Prof First Name / LAST NAME,

On behalf of the International Society for Air Breathing Engines, I would like to invite you to Toulouse, France on the occasion of the 26th ISABE conference to be held on **September 23-27th, 2024**. [Describe your participation to ISABE here](#).

ISABE 2022 is organized by SAFRAN and AIRBUS. ISABE 2024 will include hundreds of technical papers, keynote addressed by leaders in air breathing propulsion and opportunities for extensive discussions with fellow members of the global air breathing engine community.

Mr. Stéphane Burguburu, ISABE VP and head of ducted fan module integration department at SAFRAN, will be your point of contact for this visit. You or your organization will be responsible for all trip expenses. Please refer to [Accueil - France-Visas](#) to determine any visas that may be required and how to obtain them.

Please direct any questions related to this invitation info@isabe.org

I trust that this visit to France will offer you a platform to further your contributions to the field of air breathing propulsion and that your fellow attendees will benefit from your presence.

Yours Sincerely,

Stéphane Burguburu

Mr. Stéphane Burguburu
Vice-President, ISABE

Head of ducted fan module integration
SAFRAN Aircraft Engines
Rond point René Ravaud 77550 Moissy Cramayel France
