Improving Family Engagmenet in MTSS

- 1) Make MTSS Easier for Families to Understand**
- 2) Build a Predictable Rhythm of Two-Way Communication**
- 3) Lead With Strengths and Positive Contact**
- 4) Create Real Family Voice in Planning and Problem-Solving**
- 5) Remove Barriers and Offer Flexible Ways to Engage**

Visual 2

Common Mistakes to Avoid

Mistake 1: Treating Family Engagement as Event Attendance

Mistake 2: Using Too Much MTSS Jargon

Mistake 3: Contacting Families Only When Something Is Wrong

Mistake 4: Asking for Input After Decisions Are Made

Mistake 5: Expecting All Families to Engage the Same Way

Mistake 6: Sharing Data Without Context
