Night Navigation Workshop

19:00 – 22:00 (latest) 14th December 2026

An evening of night navigation training in Berkshire (exact location TBC). This workshop is for those that can navigate during the day using a compass and reading contours on a map but want to improve their low visibility navigation. To confirm your place, you must complete this online booking form. Places are limited to a first come first served basis.

Cost

This workshop is free of charge.

Meeting Place

Will be advised closer to the time.

Equipment

Please bring warm clothes and waterproofs and a good head torch with spare batteries. Please bring a compass. When the venue is confirmed we will advise the map required - please let us know if you need to borrow a map!

Risk Assessments

Please review the lowland walking risk assessment.

This risk assessment (and others) are also available at berkshirescouts.org.uk/activities/hillwalking-unit

Staff

This workshop will be run by Rob Smart, Paul Norris, Harry Canning and Peter Charles-Jones
