Layla, Scientist

I'm a scientist. I work in a science lab. I like my job because it's exciting. I want to make new discoveries. I work in a team with other people. We meet three times a week. Next summer I'm going to go to New Delhi to visit an Indian science lab.

Bertrand, Chef

I'm a chef. I love my job because I love food. The kitchen is always very busy. In the morning we prepare meat, fish, vegetables and fruit. Then we cook the food. At lunchtime the waiters and waitresses serve like my job because I like working outside. It's quiet. I pick the fruit and vegetables from my plants. Then I must take them to the market. I work with my family.

Brian, Firefighter

I'm a firefighter. I wear a uniform with a helmet. I love my job but sometimes it's dangerous. Every day is different. It's never boring. I like helping people and animals. Yesterday I helped a cat. It was in a tree but now it's safe.
