I held my cock and then rubbed it against Tione's ass, and then did the same with Tiona's ass. Whenever my cock touched them, they moaned and became quite expectant. It's fun.

After playing with her for a bit, I grabbed Tiona's ass and placed my cock at the entrance of her pussy.

Tiona looked to the side and smiled at Tione. It was as if she were saying, "He chose me first."

I couldn't help but laugh. When I laughed, my cock rubbed against her pussy and Tiona moaned. "Come on, put it in already~~" Tiona said, swaying her ass sensually.

As she moved her pussy, her wet pussy slowly began to swallow my cock. The heat of her pussy enveloped me and Tiona let out a long sigh as her small body trembled on the bed.

When my cock was halfway inside her, she stopped moving.

I squeezed her ass and slowly withdrew my cock from her pussy. Her pussy gripped my cock like a vacuum. The sensation was magnificent. After almost pulling it out of her pussy, I thrust it back inside her.

I started making those repetitive movements, rubbing my cock against her most sensitive spots. Her insides convulsed and squeezed me tightly.

MmMMM~~

MMMMmm~~

MmMmm~~

Her moans grew sexier and sexier as she got closer to climaxing.

“MmMm~~~Are you close to coming? MMMmmm~~ I feel your cock trembling inside me~~” Tiona looked back and our eyes met.

I thought I saw hearts in her pupils.

Then, I grabbed her arms and started moving my hips even harder, thrusting my entire cock inside her, reaching her deepest part. I'm sure this might even cause Tiona pain, but she didn't seem to care.

She stuck her tongue out and continued to moan like an animal while I fucked her pussy hard.

Lascivious sounds filled the room as our sweaty bodies collided.

Tione, next to us, was watching everything while drooling and her pussy dripping, soaking the entire floor.

She's just as eager to receive my cock as Tiona is.

But first I need to fill Tiona's pussy with my sperm.

'And of course, get her pregnant.'

I continued fucking Tiona's pussy while holding on, wanting to give her pleasure for as long as possible. Tiona had already come a few times, and I continued fucking her pussy. I want to drive her crazy.

After a few minutes, her moans began to get quieter and lose strength.

Her pussy continued to squeeze me wildly. She continued to come several times in a row. System messages kept arriving. Tione, beside me, had started touching her pussy while watching everything.

'I think the time has come.'

Finally, I stopped holding back and released my sperm inside her.

My thick sperm invaded the almost unconscious Tiona's pussy, and her body convulsed. She reached her limit.

Then, the message I was waiting for arrived.

[Do you wish to impregnate Tiona?]

I smiled and said, "Yes."

"Yes? Yes what?" I didn't answer Tione's question and slowly withdrew my penis from Tiona's vagina. My thick semen began to slowly drip out of her vagina. It's a beautiful sight.

"Can you still continue? You did this with her for so long…" Tione continued to touch her vagina, sitting on the bed. She pouted, as if she were upset. Well, I focused only on Tiona for quite a while.

I smiled at her and showed her my wet penis. It was as hard as before.

"Do you have any doubts?" I asked.

Tione smiled and spread her legs wide, sitting on the edge of the bed. Perfect position for me to fuck her vagina.

She kept her legs open and began to massage her breasts while looking at me.

After I looked at her for a while, she asked, "What are you waiting for? My vagina is waiting for you. I want you to do the same thing you did with Tiona to me. I want you to fuck me until I pass out."

As I prepared to put my cock inside her pussy, I started to wonder if I should have gone so far.

Now, Tiona is asleep.

I wanted to do it with both of them at the same time, with both of them awake.

‘Well, whatever.’

I lowered myself a little and held her legs. My cock touched her pussy and her pink interior became visible. The head of my cock rubbed against it and then slowly invaded her pink pussy.

When my cock invaded her pussy, a sweet moan escaped Tiona's lips.

She brought her hands to her face and then said, “This is too good, my god.” She had a big smile on her face.

The inside of her pussy was embracing me as if I were the most important person in her life. I felt like I was on cloud nine. Probably because my cock is very sensitive since I just came.

Even I let out a small moan when I reached her deepest part.

Tione listened and chuckled.

“Hahaha, you moaned. It’s the first time I’ve heard you moan like that! How cute.” After saying that, she sensually bit her finger. “I wouldn’t mind if you kept moaning in my ear. I liked that.”

“That’s out of the question.” I smiled at her and leaned over her, stealing her lips. “Are you ready to be fucked for an hour straight?”

“An hour? Are you sure you can do that for that long?”

“We’ll see.”

I grabbed Tione’s legs and then started fucking her pussy just like I did with Tiona.

However, she couldn’t withstand the pleasure for more than twenty minutes.

After twenty minutes, she had come so many times that I lost count.

And that’s how I subdued two Amazon sisters and completed one of the missions I’d had available for a long time.
