### **Our week in TFT**

What rank did you start at?

Where did you finish?

Any notable games?

## **Frodan intro**

Brief intro to Frodan

- Origin Story
  - (IGN, Gaming history, early games that interested you, etc.)

What brings you to TFT?

What do you think of the competitive scene?

Where do you see TFT as an esports?

- What does TFT need to do in order to go “mainstream?” Should it even go that direction?

You come in with a lot of knowledge about esports, whats your gut telling you about autobattlers as a genre and their potential success?

What champs/ ability would you like to see come to TFT

What are your thoughts on the big push that Riot is making after it's League 10 presentation (Runeterra, Wild Rift, Riot Forge, Project A etc.)
