- Email the document to Janice Chan at jchan2@sdsu.edu

Personal Information:

Name (First & Last):	Date:
Email:	Red ID:
Check one: ___ Started as freshman at SDSU ___ Started as transfer from the following college(s):_____ _____ ___ Other: _____	
___ Check here if interested in Project Perspectives Scholarship	

Criteria for Admission into the credential part of SDSU Special Education ITEP for Fall 2026:

- ☐ Must be entering 3rd year as a CFD/ECSE ITEP major in Fall 2026 semester.
- ☐ Must have a minimum 2.7 GPA.
- ☐ Must have successfully completed almost all the courses in your first two years of the CFD major (attach a copy of your Degree Audit Report – DAR – available in my.sdsu). List any outstanding classes:

  _____

- ☐ Must have tested negative for TB (please screenshot a copy of test result and insert below)
- ☐ Must have Certificate of Clearance, or have applied for one (screen shot a copy of Certificate or application receipt and insert below)
- ☐ Must create a short (1-2 minutes) video statement (in any format – YouTube, Google Drive, etc.) in which you discuss an experience in one of your major (lower or upper division) classes that reaffirmed your desire to earn a teaching credential. Please provide a URL for your video here:

  _____

Recommendations of support for your application

Please ask two instructors that you've completed Child Development classes with to agree to serve as references for your application. If they agree, we'll send them a link to a google form that they will use to submit their reference. Total time commitment: 5 minutes.

Instructor's name	Course # and school	Instructor's email address	Have they agreed?

I have completed this Eligibility Form/Application to the best of my knowledge. I did not falsify any information.

I understand that I will need to complete the following in order to graduate with both a B.S. and a teaching credential:

- ***Pass all remaining CFD major courses (NOTE: as a credential student, I must maintain a 3.0 GPA)***
- ***Successfully complete all remaining fieldwork, including student teaching.***
