RANKING GUIDELINES

ROLE OF THE RANKER

- Communicate with the other rankers and the Commissioner during each ranking period to ensure their region is represented accurately in the rankings
- Present an unbiased view of the results. Be able to defend their rankings to the Commissioner
- Construct regional rankings that best represent the results
- Determine an overall provincial ranking based on results
- Create the final seedings with the other rankers and the Commissioner
- Create a provincial draw that is fair

RANKINGS

All five classifications (1A, 2A, 3A, 4A and 5A) will have the same ranking schedule.

The goal of creating rankings is to:

- Create the most balanced/competitive provincial draw ensuring each team and zone is represented fairly
- Inform teams where they stand in relation to their competition
- Create buzz surrounding performance in our province

FIRST RANKINGS: Nov 1 - Dec 16, 2025

The first ranking period will look at scores from the beginning of the season to before the holiday break. These rankings are intended to build a solid foundation. The order of criteria will be:

- Body of Work
- Strength of Schedule
- Head to Head
- Common Opponents

SECOND RANKINGS: Dec 17, 2025 - Feb 3, 2026

The second rankings will be cumulative rankings of the season to the end of January.

**Please note that the Opt-Up Deadline is January 8, 2026. Teams will be ranked in the Classification (1A, 2A, 3A, 4A or 5A) as indicated to date in the SRS.*

FINAL RANKINGS: Feb 4 - Feb 24, 2026

The final rankings will be the cumulative rankings of the season. The criteria for the final rankings are:

- Body of Work
- Recent Results
- Strength of Schedule
- Head to Head
- Common Opponents

**Wildcards will be given to zones based on these rankings and the provincial seeding process will rely heavily on these rankings.*

CHAMPIONSHIP SEEDINGS: Mar 15, 2026

The provincial seeding call is not a ranking call. In order of priority, the following will guide the seedings:

- Body of work, including all games played after the final ranking period
- Placing in Zone Championship

Every effort will be made to prevent teams from the same zone meeting in their first game of the provincial competition. Due to the short timeframe involved, tournament seedings may not be appealed.

RANKING CRITERIA

BODY OF WORK

The following components, not in order of importance, are factored when looking at a team's body of work:

- Overall Record - team's win/loss record
- Strength of Schedule
 - Does the team's overall record include games against quality opponents?
 - Record against quality teams?
 - Did the team make an effort to play teams from outside of their zone?
 - Were the teams quality wins at the beginning of the season or near the end?
 - What bad losses did the team suffer?

HEAD TO HEAD RESULTS

Head to head matchups are critical when comparing teams. However, they do not trump everything else that occurs during the season. If Team A defeats Team B in August, that result will be used when ranking the teams during the first ranking period. During the final rankings, the result will count towards a team's body of work and will be used to break a tie for teams.

COMMON OPPONENTS

Similar to head to head results, common opponents will be used when comparing two teams. It is too difficult to start with head to head results and common opponents when completing the rankings. They are useful though when determining where a team deserves to be ranked after evaluating the body of work and strength of schedule.
