Year 8 Summer Exam Timetable 2025

Wednesday 21st May 2025 - Wednesday 28th May 2025

Dear Parents / Carers,

The Year 8 Summer exam timetable is printed on the reverse of this letter. Please ask your child to become familiar with this timetable, they can speak with their subject or form teacher if they are unsure of anything. Each class has been assigned a room in which they will carry out all their exams, this is detailed on the reverse. Please ensure that your child has plenty of revision material or a reading book with them each day as there will be time prior to each exam for silent study.

School Finish Times

Please note the alternative finish times during the summer exam period below. If your child gets the train home, the school transfer buses will be running at the times below.

Wednesday 21st May	2.30pm
Thursday 22nd May	2.30pm
Friday 23rd May	12.30pm

Tuesday 27th May	2.30pm
Wednesday 28th May	12.30pm

All students are permitted to leave at 12.30pm on Friday 23rd May and Wednesday 28th May. If your child is entitled to Free School Meals or would like to have a canteen lunch they can leave at 1.00pm.

If you would prefer your child to remain on site until 2.30pm they will be in supervised study in Room 201 until 2.30pm. The supervision will be silent study under exam conditions. Students will need to bring their own work or a reading book. If this option is preferred, students **will not** be permitted to leave the school between 12.30pm and 2.30pm i.e. they can not leave for lunch outside school and then return for study.

To help with planning, if you wish to avail of the lunch and supervision until 2.30pm please complete this form by Friday 9th May 2025. Link to the form here: <https://forms.gle/Lq4LNApRXzjbWZF26>

Once again, we are running the CCEA Literacy and Numeracy 'Adaptive Tests'. These tests are different from the other tests on the timetable as they are set by CCEA rather than Ulidia Integrated College. CCEA is the Northern Ireland Council for Examinations and Assessments. Adaptive assessments adjust on a question-by-question basis, increasing or decreasing in difficulty depending on whether a pupil answers a question correctly or incorrectly. This means each individual pupil is likely to encounter a different range of questions. No preparation is required for these two tests.

We wish all students the very best of luck.

Senior Teacher for Learning, Teaching and Exams
