# QFocus: Vegetarianism

**Guidelines:**

- Ask as many questions as you can
- Do not stop to judge, discuss, or answer the questions
- Write down every question exactly as it is stated
- Change any statement into a question

- Why do people become vegetarians? **O**

- How does someone become a vegetarian? **O**

- I wonder if being a vegetarian is more expensive than eating meat? **C**
  - **Reworked OPEN Ques:** How would the global economy be impacted if people stopped eating as much meat?

- Is being a vegetarian healthy? **C**
  - **Reworked OPEN Ques:** How does being a vegetarian impact a person's health?

- How does being a vegetarian impact the environment? **O**

- Where do most vegetarians live in the world? **C**
  - **Reworked OPEN Ques:** Why have certain cultures around the world adopted plant-based diets, while others have not?

- Is there a connection between religion and vegetarianism? **C**
  - **Reworked OPEN Ques:** Why have certain religions around the world adopted plant-based diets?

1. Mark closed-ended questions with a "C" and mark open-ended questions with an "O."

2. Choose 1-2 open-ended questions that most interest you.
   a. How would the global economy be impacted if people stopped eating as much meat?
   b. How does being a vegetarian impact the environment?
